

PCT Newsletter for November 2014

We have four pieces of exciting news for you in this newsletter.

1. PCT Board has accepted a request by Danna Andrade to Director “**The Miracle Worker**” by William Gibson in April 2015. Danna has long wanted to put on this poignant and heartwarming story of Annie Sullivan and Helen Keller. Danna is working on putting together an audition schedule for early December of 2014. She will be looking for Men, Women and Young People and maybe even a dog. More news very soon.
2. PCT will hold its **Annual General Meeting on November 19th**, 2014 at 7.30 p.m. at our rehearsal hall (305 Center Street, across from the ambulance station). All membership fees will be due just prior to the start of this meeting. Fees are \$5 a member or \$10 for a family. Various positions are available on the board, or just come out and show your support.
3. **Play Reading Party** this Saturday at 7 pm at 4146 James Street, Petrolia (home of Danna Andrade). This is a chance to read a role in the play or just sit back and listen to the whole show. It is a great opportunity to hear all the roles and decide if you want to audition for one or more of them. Bring a chair and a beverage. Large cast with lots of different ages.
